

Make Room

Utterance by Nellie St-Germain, April 29, 2009

You have made room for Me. Time and time again you have entered here and you have made room for me. You have made room for Me by worshipping Me. Then you have made room for Me by praying in the Holy Ghost and seeking My face and because you have made room for Me, I am going to make room for you. I have told you in times past to make Me a priority and you have made Me a priority. When you come into this place, you have made Me a priority and I am honored by that, saith the Lord. And I will make room for you.
