

Listen to the Holy Spirit
Utterance by Pastor Bitely, June 24, 09

Well down in my spirit I heard these words: Don't make light of the things of the Spirit. Don't make light of the gifts of the Spirit. For they flow through men. Yes and men have their imperfections. But get your eyes off of man. And get your eyes upon Me, saith the Lord and hear what the Spirit says unto you. For you can grow and you can go when you will listen to the voice of the Spirit. But when you make light of the things of the Spirit of God, you won't go anywhere. For it is the Spirit that makes things come alive. The flesh profiteth nothing. So listen to My Spirit. Listen to My voice. For I speak through men and I even speak to you through your heart. So learn to know My voice and learn to follow it and learn to obey it. And receive it gladly, knowing My love for you and that I care deeply for you. And yea warnings will come and enlightenment will come and promotion will come and correction will come if you would but listen to My voice, saith the Lord. Hallelujah!
