

"Learn to Train Your Spirit"

Utterance by Pastor Bitely, July 1,09

Well down in my spirit I heard these words: "For the time is now here. The time is at hand that you must know My voice and be listening for My Spirit to speak unto you. For these are the last days and many false prophets and many false teachers are arising and shall endeavour to deceive many, even the very elect of God, if possible. But you must train yourself. You must walk close with Me. For they shall say great and swelling words to try to bring you into their doctrines and into their beliefs. But have I not said even in My Word in the last days that there will be some that will depart from the faith giving heed to seducing spirits and doctrines of devils. How will you know? By My Spirit," saith the Lord. "If your spirit is tender, if you are walking with Me, you are not looking for man to promote you, but you are looking for Me to promote you. My Spirit is truth. My Spirit will bear witness in your spirit and you will know what is right and you will know what is wrong. So learn to train your spirit. You can develop your body. You can develop your mind. But you can also develop your spirit. So learn to develop your spirit. Pray in the Spirit. Read My Word. Know My Word. Stand upon My Word. For there will be those as there was in Paul's day that will come and they will wrestle and twist the Word and endeavour to make it say things that it was never intended to say. But listen not to that. But just take My Word as it was written. Read it as I have written it. Read it with My Spirit guiding you and leading you and you will know the truth and the truth shall make you free," saith the Lord.
