

## **"The Voice of the Spirit"**

**Utterance Pastor Bitely July 5 2009**

**The voice of the Spirit is not heard with the outward ear but the voice of the Spirit is heard with the inward ear. For My Son said that when the Holy Spirit would be given the world would not be able to receive it, because they wouldn't be able to see it. It is also been said by prophets, the natural man receiveth not the things of the Spirit of God for they are foolishness unto him. For they are spiritually discerned. It is true the things of the Spirit come from the Spirit and they speak to your spirit. But even your spirit has ears if you'll train them to listen. If you'll take the time and learn to develop your spirit, your spiritual ears can pick up and hear the things that none other will be able to hear. In fact you'll turn to others and say: Did you hear that? Did you hear that? And they'll say no, I didn't hear a thing but you will have heard My voice, you will have received direction and what to do and instruction for your life. So know that I speak and I speak many times to many people and yet they are not listening and I say unto you, I say unto My church, listen. Listen to what the Spirit would say unto you. You have ears in your spirit, learn to use them. Its not your natural ear that you hear My voice with, its your spiritual ear and when you hear My voice you'll know what to do, saith the Lord. Hallelujah, Hallelujah**
