

**"Secret Place"**

**Utterance by Pastor Bitely, June 21,09**

**"There is much more, much more than you have every dreamed available to you, if you will hunger and you will thirst after Me. You will be filled. But you must hunger and you must thirst. You must be not satisfied with what you have knowing that down in your heart that there is more. You can have more of Me and more of My presence and more of My glory and more of My power in your life. So if you would but hunger. Set aside a time to seek Me. Set aside a place where you can close the door and you can open up your heart and I can begin to fill it with more of Me and you will be glad. You will be so glad that you took the time. That you were hungry. For it is one thing to say and sing that you are hungry, but it is another to cry out unto Me even in those secret places. For it is in the secret places that I will come and I will openly and before men honour you and all will see and all will know that what you have done in secret has made manifest and brought for My glory," saith the Lord.**
