

"God Will Restore"

Utterance by Pastor Bitely, July 3,09

For down in my spirit I just heard these words: "Be not discouraged and be not dismayed for the things that have happened unto you even this day. But know that since you are mine and you are here to worship Me, I will turn everything around. Everything that has not been right, not just from today, but all the days. For even the years that the cankerworm and the palmerworm have eaten and destroyed, I will restore back unto you as you follow Me. Some have said: "Well much has been lost. I have given up so much and Satan has stolen so much from me." But know this, I am able to restore even as with Job, I was able to give twice as much back to him as he ever had. So come worship. Bow before Me," saith the Lord. "Lift up your hands and lift up your voice and worship Me in Spirit and in Truth, for there is nothing to difficult for Me," saith the Lord. Restore even as with Job, I was able to give twice as much back to him as he ever had. So come worship. Bow before Me," saith the Lord. "Lift up your hands and lift up your voice and worship Me in Spirit and in Truth, for there is nothing to difficult for Me," saith the Lord.
