

## **A Deeper Place**

Tongues and Interpretation by Janice Clowater  
and Pastor Bitely

For surely there is a deeper place for you in Me and yes your roots must be deep. They must be planted deep. For in the rocky soil there is no depths and in the thorny, weedy ground it is choked out. But in that good ground, that you are, let My Word and let My Spirit take root and go deep. For there are many even in this city that have turned their backs even on the things of the Spirit of God, but not so you. For you have chosen to go into a deeper place. For you have chosen not to be ashamed of the things of the Spirit. But you have raced forward and you have embraced it and now is your time to go higher and so as you have gone deeper and as you have pressed in, now this is the time you will begin to go higher. Higher in the things of the Spirit. Higher into the realms of the things of God. Into greater revelation, into greater truths and the truths and the revelations will set people free. For I have brought you into this place so you could grow and you could go, saith the Lord.
