

"Difficult Days"

Pastor Bitely, Aug 9, 2009

I heard these words: Difficult days, difficult days, difficult days lie ahead for those that do not know Me. Difficult days are about to come upon the face of the earth for all of those that do not know Me and do not walk in My light. Times will be difficult, very difficult. But to you that know My name, to you that have bowed your knees unto me, those that have received Me as Lord and Savior, you will walk in the light. You will be in the light. And I have said in My Word, there was light in the land of Goshen. So there will be protection and provision for you, saith the Lord, in the difficult days. People will look and they will see. For I want them to look. I want them to see. I want them to know that there is a division between the people of the world and My people. It will be very evident to those that look and see. For they shall say why, why is everything seemingly going so well with you in these difficult days. Why is it that there is a joy and a happiness about you, that the world does not have and they shall see My hand and My Spirit upon you, saith the Lord, and they shall know that there is light for them to walk into. They too can step into the Light. They can receive The One that gives life. They can receive My Son and they that do can walk in the Light, saith the Lord.
