

"There is A Higher Level"

Utterance by Pastor Bitely July 26, 2009

For there is a higher place in Me, there is a higher place as you walk with Me, saith the Lord. Not all get there. Many shall stay at the entry level and they shall walk out their days and there will be much that will happen to them and yet in the end, they will make it into My kingdom. They shall make it to heaven. But yea there is a higher place. There is a much higher level and even in this place you have taken steps to come up into higher places. There is a higher level of The moving of My Spirit, saith the Lord, for a church. There are higher levels. There are even higher levels than where you are at here, even now. But as you harken unto the voice of My Word, harken unto the voice of My Spirit and do what My Word says, then like My Word says, then we go up, you step up and there will be greater demonstrations. There will be a greater release of My glory. A greater release of My power in your midst. A greater release. This is not being said for one, but this is said for all. For all may attain unto this and all may climb aboard and step up into higher places. But yea you will have to leave the flesh behind. You will have to leave the things of the world behind and you will have to step up into the realm of My Spirit, saith the Lord. And like John on the Isle of Patmos, as it was recorded on the Lord's day, I was in the Spirit. Yea many of you will step into the Spirit. Visions will flow forth. Revelations will flow forth. My power shall rest upon you. For you have chosen the way of love. My power is released in My love and because many of you have chosen the way of love and the path of love and not the path of strife, you have chosen My way, saith the Lord, then there will be a greater release of My glory, My power and revelations in your midst and in your life. Not only in this place, but as you go about as you serve in different places, you will be used. You will be used. Oh Glory! One may be used of the Lord. What an honour, saith the Lord. What an honour it is to be used of God. To be a vessel fit for the Master's use. For have I not said that in a great house, there are vessels of dishonour, and vessels of honour and when a man would purge himself and leave the dishonour, than you would become a vessel of silver and gold fit, fit for the master's use. So as you cleanse yourself, as you purge yourself, as you purge yourself from the flesh, as you purge yourself, even from evil things, evil thoughts, fill your heart with My Word and with My Love, fill your heart with My Spirit then, yea you will be fit for the Master's use and He will use you, saith the Lord.
