

“Sow the Word”
Utterance by Pastor Bitely, Aug. 29, 2009

Now take the Word that you have heard, and sow it, saith the Lord. Take the Word that you have heard, receive it this night and plant it into your life and you will see a harvest. It is what the amount that you have heard, that will be the amount of your harvest. So if you heard 20 percent tonight, you will have a 20 percent harvest. If you heard 30, or 40 or 50 that is the harvest that you will have. But you will have a harvest, saith the Lord. So the Words that were spoken tonight, grab a hold of these things, for this is My seed that I give unto you. For have you not read in My Word where the seed is given to the sower. So this night seed has been given to those that will sow and as you sow My Word, you have My covenant promise with you that it will produce for you, some 30, some 60, some 100. You choose. You can choose. Did you know that? Did you know that you choose the amount of the harvest by the amount you choose to sow and you choose to hear, and you choose to do. So if you choose to go all the way with My Word, My Word will go all the way with you. But there is a harvest, every time, of My Word that you plant and you bring forth, saith the Lord.
