

**“Well Pleased”**

**Utterances by Pastor Bitely, Aug 29, 2009**

**Well down in My spirit I heard the Spirit of God say: Little flock, I am well pleased with you. For I see your hearts. I know you and I know your love for Me and your love for My Word and your love for the things of the Spirit. And know this: I am well pleased with you. Yes there are many things you still need to do and many things that you need to grow in. But just know this, I am well pleased in you this night, saith the Lord.**
