

"The Coming Storms" Utterance by Pastor Bitely, Sept 9, 2009

I heard these words: I will not leave you alone. I will not leave you as orphans in the storm. But I will be with you. For ye indeed, there are storms that are coming unto this earth, unto this nation. Storms, satanic storms, natural storms, physical storms, emotional storms, financial storms, all types of storms are coming. But in Me, there is safety. In Me, there is security. In knowing Me and knowing My Word, you will go through these storms. You will go to the other side. You will make it. You will not sink. You will not go under, because you have come to the realization and revelation that greater is He that is in you than He that is in the world, and you will turn to Me and you will put your eyes upon Me and fasten your heart to Me and My Word and together, together, knowing that I will never leave you nor forsake you, we shall go together and do great things. You will do great things in these last days saith the Lord. My Church shall do great things, awesome things, saith the Lord, in these last days. The eyes of the people of the world, turn to the world to see what is going on there, but I have begun to move in My church and all eyes will begin to turn to My church and they will begin to see even greater demonstrations and all eyes will turn to Me, saith the Lord, and many shall come out of the darkness and into the light and come to know Jesus as their Savior, saith the Lord.
