

A Greater Move of the Spirit
Utterance by Pastor Bitely

For the Word of the Lord came unto me saying, even as that was foretold you that there would come a greater move of My spirit and demonstrations, for surely that is even coming to pass and has come to pass, but yet will increase in still greater ways. For you are about to move saith the Lord, into areas of power, gifts of power, gifts of healings, gift of working of miracles, gift of faith will become more common in this place. You've made room for Me, saith the Lord. You have honoured Me and you have revered Me and you are beginning to learn how to walk in love. For when you learn to walk in love, then you will walk in My spirit. For have I not said unto you that I can not trust you with My power until I can trust you with My love. Now as you've learned, you have been learning for you are not yet perfect. But you have made the effort, you are making the steps. To step out and walk in love and to brush off criticisms and to brush off those things that would cause conflict and you have chosen a higher way. You have chosen My way to walk in love and because you have done that, now I can do more for you. You have made room for Me, saith the Lord. More room and yet it will only be a small thing, but yet what I have done in this place is far more than most places ever see and yet this is only the beginning, if you will continue to walk with Me. So you'll begin to see, it will come to pass saith the Lord, that you will begin to see not just demonstrations in utterance, in revelation gifts, but you will begin to see much more power being released in the services and in your lives. Power that will heal bodies. Power that will bring new organs into people's bodies and turn hopeless situations around. Because you have allowed Me and you have honoured Me, now I will honour you, saith the Lord.
