

"The Power of the Word"

Utterance by Pasto,r Bitely, Dec 16,2009

Be not dismayed at the things that you face and the things that you see in the natural. For the things that you see in the natural are temporal. As you speak My Word, as you speak to the mountain, as you believe in your heart, that what you say will come to pass. Truly, even the mountains will dissolve. Circumstances will change. Those things that seem to be such a crisis will begin to turn in your favor," saith the Lord. "So be not dismayed. But be strengthened and encouraged this night. For knowing that your Lord has made provision for you. That things can turn and things will turn as you stand in faith. As you look unto Me. As you speak My Word, the power of My Word. Send My Word forth into those situations and they shall surely turn. They will even dissolve," saith the Lord.
